Primary School**
Together we grow

The staff and management at Salterforth All Stars are dedicated to providing top quality care and experiences for every member of the club.

We enjoy sole use of the school hall and take full advantage of the wonderful grounds all year round.

We strive to create a nurturing environment, where everybody feels valued and included.

Staff encourage the development of positive relationships.

Our Stars enjoy a variety of well-planned activities, which are based around different themes.

Art & Craft
Free play
Outdoor play
Exploration & Discovery
Role play

In order to maintain our high standards, we ensure that we uphold the standards set by Ofsted in the Early Years Foundation Stage.
